experience

Humble Servants Needed

It's not all about skills – it's about heart. Betel is looking for humble servants. We need interns, short-term missionaries and gap year students – Christians willing to work alongside hurting men and women who are in the process of rebuilding their lives. We need servants able to disciple the desperately needy, to help plant churches, build businesses and engage the professional world. But servants who are just as willing to demonstrate love holding a paintbrush or broom as they are preaching from an open Bible – servants whose highest calling is to set a humble example.

**If to rescue one broken life you're
willing to lay down your own...**

then come make a difference to thousands serving
in a life-changing internship at Betel!

Betel Internship experience

Short-term service for life-long change

Who are we?

Betel is Spanish for Bethel (meaning House of God) and a ministry of WEC International. We are a unique international church-planting ministry dedicated to harmonising church life, residential living and charitable businesses to restore drug and alcohol-dependent people and their families to productive, independent lifestyles.

Our residences host free of charge more than 2300 men and women in over 100 urban areas in 23 countries across Europe, Asia, North America, South America, Africa and Australia. Since taking in our first man from the streets in Madrid in 1985, we have helped tens of thousands of desperate drug addicts, alcoholics, prostitutes, ex-offenders and homeless people.

In Betel, we place emphasis on the restoration of the personality through the Gospel. Our residences are drug, alcohol and tobacco-free as well as free of charge. We are dedicated to continue offering hope and hospitality to the world's neediest men and women at no additional cost to governments or families.

What advantages can Betel offer you?

Flexibility

We offer short and long-term internship opportunities. Whether it's three months, six months or a year, an internship with Betel will provide you with practical, hands-on training for a future in full-time missions, social work or social justice.

Hands-on Discipleship

You will have the opportunity to "be Jesus" in everyday, real-life situations by working, living and worshipping alongside those whose broken lives are being restored.

Christian Community

You'll learn to apply Scriptures within the context of living in a dynamic, inspiring and life-changing environment.

Servant Leadership

Leading by humble example, you will be able to apply your giftings by assisting others in areas such as sharing the Word, serving on worship teams, applying business skills in Betel's charitable businesses and more. Whatever your skill, Betel's diverse ministry environment will put it to work. We require Mechanics, Tradesmen, Accountants & Bookkeepers, Media & Marketing specialists, IT workers, Medical staff, Farm Managers and skilled workers in any field who are willing to serve.

Cross-Cultural Experience

Live and serve in a culture different from your own. Betel internship opportunities exist in the Czech Republic, Germany, India, Spain and the United Kingdom.

Minimal Cost

Betel will provide you with free board and lodging as a working member of our community. You'll only need to pay for travel to and from Betel, necessary visas and out-of-pocket personal expenses while you are with us (for days off, sightseeing, toiletries, etc.).

So if you're prepared to lay down your own life to impact others ... visit our website:
